**NEVER BE  
SECOND!**

**YOU DECIDE!**

Choosing FIXED-TURNING® it is to accept the future and to realize that the past is over. To realize this fact before anyone else is an advantage that will remain forever.

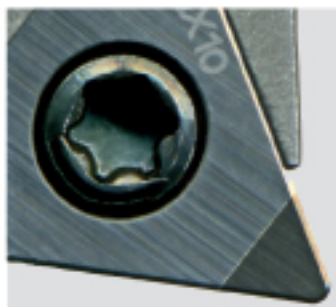

**90%**

of the work performed in a machine shop revolves around cylinder heads. Why wait to get the tool to become number one in your field?

**NEVEN**

# FIXED-TURNING®

CNC at its best: • Total Flexibility • Repeatability • Quality • High Productivity • Cost Reduction
